Notes from the boss.....

WE'VE already had a tussle with Bury in the Lancashire Cup, today we meet in the League and on Tuesday week we travel over to Gigg Lane for a Sherpa Van Trophy tie. So if our two teams didn't know enough about each other already we certainly will before the season is out.

Which is the most important game? Well, you always take one game at a time and you always want to win that game. But the priority must always be three League points and that is what we'll be looking for today.

Bury need no introduction, of course, and Martin Dobson and his players and supporters know they can expect a warm welcome this afternoon.

Once again our fans have the added interest of a Lancashire 'derby' game - one of eight that will feature in this season's Third Division programme. Local rivalry always adds extra spice as far as the supporters are concerned. But in our case every game these days seems to be something special for the fans.

On Tuesday night at Huddersfield we had a following of 1,710. That was fantastic, but then the travelling support has always been quite exceptional. Wherever we go the fans make us feel as though we are the home team.

Travelling over to Huddersfield I was thinking that this would be the perfect time to pick up an away win. And the timing could not have been better. It was always going to be a battle and I was pleased with our performance but I just had to remind the players at half time of the way they had achieved some of their best results - with one and two-touch football. That was how we got back into it and we finished the game looking the more competent side.

What has been extra pleasing so far this season has been the form the Reserves have been showing. They've had a string of good performances and good results which saw them start the week in second place in the Division.

BURY

Manager Martin Dobson and his assistant Frank Casper are renowned for encouraging their men to play open attractive football. "Dobbo" as he is known to Shakers fans reckons it's the only way he knows to play the game and perhaps it's worthwhile to recall Martin was once a Wanderer in his early playing days.

Making up the back room staff is Wilf McGuinness (physio) who is good for dressing room morale and has a good knowledge of the game, being an ex-Busby babe. Wilf can't restrain his enthusiasm, even from the bench.

Reserve Team Coach is Ray Pointer, an ex-England International who played a major part in developing young winger David Lee.

Bury's No. 1 is **Simon Farnworth**, who needs no introduction to Bolton fans having served here until his move in 1987. He appeared in the Freight Rover Final against Bristol City at Wembley when Dave Felgate was ruled ineligible to play.

In **Andy Hill**, Bury have a very capable leader from defence and many consider Andy to be one of the most reliable back four players in the Third Division. A good 40 matches plus player every season. **Kenny Clements** signed for the Shakers from Manchester City in March this year and his invaluable experience is an asset in defence. **Peter Valentine** is another former Wanderer serving under John McGovern. Since joining Bury has never given less than his best and has inherited a new lease of life after being placed on the list during the summer. **Terry Pashley** is a model professional and is Bury's 'Mr.Consistency'. He is the Club's longest serving professional.

Since joining Bury on a 'free' from Manchester City, **Jamie Hoyland** has turned in consistent midfield performances which have rocketed his transfer market value and he occasionally pops up to score some important goals. He has matured since the arrival of **Sammy McIlroy** who is Bury's

Burnden Visitors

household name. Sammy is in his second spell at Gigg Lane having had an unhappy spell in Austria and he makes the team 'tick'. Looking for regular first team football **Phil Parkinson** joined Bury from Southampton in a £13,000 deal in February '88.

Up front young **David Lee** is a YTS graduate and his speedy flank play can prove menacing on his day. Likes to go for the bye-line before releasing some well placed crosses. Leading scorer **Liam Robinson** joined the Shakers from Huddersfield Town after the tribu-

nal settled the fee at £15,000. Has certain resemblances to the Franny Lee style and has already attracted the 'big' clubs.

It's only a matter of weeks since **Stevie Elliott** was a Wanderer before Martin Dobson paid £16,000 for his services in an attempt to give Steve a new lease of life. Has already hit the target for the Shakers.

Nigel Greenwood has struggled to stake a regular first team spot of late, but he is a pacy striker who can be a prolific goal scorer.

Back Row: Peter Valentine, Charlie Bishop, Simon Farnworth, Gary Leonard, Terry Pashley.
Middle Row: Wilf McGuinness (Physio), Martin Dobson (Manager), Noel Brotherston, Phil Parkinson, Mark Higgins,
Jamie Hoyland, Frank Casper (Assistant Manager), Ray Pointer (Reserve Coach)
Front Row: Craig Brown, David Lee, Liam Robinson, Andy Hill, Kenny Clements, Nigel Greenwood.

MATCH REPORT

THE THIRD DIMENSION

With a full mid-week programme in the lower divisions it's been an expensive week for some fans.

Last Saturday, the usual big Bolton following travelled to Ashton Gate where ex-Wanderer Mark Gavin excelled against his 'old' team mates but inform Trevor Morgan's equalizer made the journey worthwhile and a satisfactory return to Ashton Gate for Trevor.

It took Huddersfield to blunt the Blades from Bramhall Lane, a 3-2 scoreline being a well earned victory and a confidence booster for Bolton's mid-week visit but that man Morgan again popped up to collect three more valuable points with a fine 1-0 victory.

Today's visitors had two home games, firstly against unpredictable Notts. County who almost pulled off a surprise victory in the dying minutes; final score 1-1. Then last Tuesday, Chester were the visitors to Gigg Lane and an aptly timed winner from substitute Nigel Greenwood in the final minutes finally settled the issue at 2-1. At Molyneaux, over 10,000 spectators passed through the turnstiles to see Wolves sink Southend 3-0 and take over top spot.

Ex-Bolton and Bury striker Wayne Entwistle pulled one back for Wigan at home to Northampton but it wasn't enough, the visitors running out 3-1 winners. Early season front runners, Port Vale, helped themselves to a 3-0 win over Aldershot and continued their run at Northampton in mid week with a well earned 3-1 victory. Neighbours Preston overcame Ian Greaves' Mansfield outfit, winning 2-0 at Deepdale but had to share the 2-2 spoils with Wigan in mid week.

AROUND ONE AND TWO.

In Division 1 the Aldridge, Beardsley, Rush partnership finally clicked into gear for Liverpool and break the hearts of visiting Middlesbrough. At Old Trafford, Graham Taylor's attacking Aston Villa settled for a 1-1 draw. Everton can't seem to find their accustomed rhythm this time holding Sheffield Wednesday 1-1 at Hillsborough. Former Bury starlet, Danny Wilson, got on the scoresheet for Luton at Millwall but it wasn't enough to stop the Division's high flyers winning 3-1. Bustling Wimbledon, fresh from a Littlewoods Cup victory over Manchester United entertained leaders Norwich but the visitors mastered their style on this occasion, winning 2-0.

Tottenham rooted at the bottom of the League failed again at White Hart Lane, this time to Derby who ran out 3-1 victors.

Television's choice for their second live 'match' was the encounter between Notts. Forest and Arsenal at the County Ground. The 'Gunners' confidence and power proved too much for Brian Clough's men running up a 4-1 scoreline.

In Division 2, Watford retain No. 1 spot despite losing at home to Chelsea, 2-1, but West Brom's recent change of fortune has rocketed them into second place, this time beating troubled Oxford at the Hawthorn's, 3-2. Locally Manchester City keep on the fringe with a 0-0 scoreline at Leicester and Oldham are finally recovering, winning against Walsall 3-0. Despite losing 4-3 at Plymouth, neighbours Blackburn keep in the top four.

DAY GONE BY

5 YEARS AGO: The Wanderers went down to their first defeat in six games by a 2-0 scoreline at Plymouth Argyle. Tony Kellow opened the scoring after only 3 minutes of his debut after a £5000 transfer from Exeter. Bolton at the time were down to ten men with Ray Deakin having treatment after a first minute collision. Dave Phillips secured the points for Argyle in the 66th minute when a clearance from Peter Valentine struck him and rebounded perfectly to score a simple goal.

Centre half Gerry McElhinney made his Northern Ireland International Debut in a surprise 1-0 victory over West Germany in Hamburg.

10 YEARS AGO: Bolton took on Blackburn Rovers at Burnden in a testimonial for John Byrom. Rovers went into a four goal lead before the Wanderers hit back with three goals in the final five minutes to give the scoreline some respectability. The Wanderers went down 4-1 to Bristol City at Ashton Gate as the West Country Club recorded their first double of the season. Mike Walsh was the Bolton scorer.

15 YEARS AGO: A controversial equalizer and a last gasp own goal denied Bolton any points as they went down 2-1 at Luton Town. Neil Whatmore opened the scoring in the 39th minute but Luton equalized in the 55th minute. Jim Ryan slotted in the rebound from his penalty kick that had come back off a post much to the Wanderers disgust. Six minutes earlier Barry Siddall had saved a John Aston penalty but in the dying stages Don McAllister put through his own goal.

100 YEARS AGO: Bolton went down 3-2 to Wolves at Dudley Road where they have a debut to David Mercer from the Lytham club. Unfortunately he forgot his boots and played in a borrowed pair that were much too big and accounted for his 'floundering'.

The same day the reserves won through the second qualifying round of the FA Cup by defeating West Manchester 9-0 in a replay at Pikes Lane.

HELPING THE GAME

The Football Trust receives £9 million annually from the Spotting-the-Ball competition run by Littlewoods, Vernons and Zetters and spends it all on projects which benefit football throughout the United Kingdom.

Since 1979 it has been committed to the development of the game at every level and its broad and varying initiatives have ranged from essential safety work at Tottenham to social work at Toxteth; refurbishment at Wembley to repairs at Welling; closed circuit television at all League clubs to community facilities at Oldham Athletic; transport improvements at Sheffield Wednesday to storm damage in the South East of England; from policing costs at Hull City to an artificial pitch at Hyde United.

1988-89 will see The Football Trust increase its commitment by investing further sums in closed circuit television, transport facilities for supporters and projects to bring Football League clubs closer to their local community.

WARNING

At the beginning of the season more than 110 League grounds in England, Wales and Scotland will be equipped with CLOSED CIRCUIT TELEVISION which has been funded by The Football Trust.

It is there to increase crowd safety and to help the police. Recording facilities enable film and photographs to be taken of disorder, which may subsequently be used in a court of law.

CLOSED CIRCUIT TELEVISION

SAFETY FIRST

Football grounds in England and Wales have reached their highest ever level of safety thanks to the £23,671,425 invested by the Football Grounds Improvement Trust since 1975.

Almost every League club has been assisted with essential safety work and further substantial sums have been spent to enable them to improve facilities. In the past year alone FGIT grants to Football League clubs totalled:

	£
Safety	2,254,723
Improvements	770,561

In addition to its safety programme, FGIT has also allocated £1.5 million to build or improve family and disabled facilities at League grounds during 1988.

RESERVE AND YOUTH NEWS

19th October, 1988.

Port Vale Res. 1

Bolton Wanderers Res. 4

Bolton reserves continued their goal glut by taking their tally to 17 in 4 games after a thrilling 4-1 win over Port Vale in the Potteries.

It was almost a case of deja-vu as the Wanderers created and missed numerous chances just as the first team had done the previous Saturday.

Despite Bolton's superiority it was Vale who snatched the lead in the 29th minute when Harper got behind the defence to head home.

The lead however was short lived and within 4 minutes Ian Stevens shot home a Stuart Storer cross to equalize. Stevens put Bolton in front in the 59th minute when he got the final touch to a Dave McKearney shot and the visitors kept up the pressure despite torrential rain.

Paul Davies headed the Wanderers' third goal from a Barry Cowdrill cross and in the 74th minute Stevens completed his first hat trick for the club after Paul Hughes had put him clear of the Vale defence.

Team: Gray, Hughes, Cowdrill, Spooner, Jackson, Neal, Storer, Moran, Stevens, Davies, McKearney. Subs: Brown, Jeffrey for Davies.

24th October, 1988.

Middlesbrough Res. 0

Bolton Wanderers Res. 1

The battling qualities of this enterprising Bolton reserve team came through in a 1-0 win at fellow promotion challengers Middlesbrough.

For the majority of the game it was 'Boro who peppered the Wanderers' goal only to find a steel like defence that wasn't going to lie down.

The Wanderers almost stole the lead in a rare first half attack when Mike Jeffrey struck the bar with a long range effort. After coming under the hammer early in the second half the Wanderers gradually began to gain some breathing space and to cause the home sides defence a few headaches.

Phil Neal and Paul Davies were both close to the target before Jeff Chandler stooped to head home a Stuart Storer cross in the 83rd minute that earned the points from a misty Ayresome Park.

Team: Gray, Hughes, Brown, Spooner, Jackson, Neal, Storer, Moran, Jeffrey, Davies, Chandler. Subs: Fisher, McKearney for Davies.

SAFE HANS

Well here we are in the merry month of November, when sales of Uncle Joe's Mint Balls and Fisherman's Friends shoot through the roof. I am not saying it was cold for our last home match with Chesterfield but at half-time someone had to use a blow torch to put feeling back into my toes. I suppose we shouldn't complain especially with a result like that but I am sure crowds would go up if everybody was supplied with a hot water bottle at the turnstile.

Today we welcome our local rivals from Bury, who are of course famous for their Black Puddings. But wait a minute, in these days of racial taunts, changes should be made and these should be re-named Coloured Puddings-only joking-folks wouldn't be the same going into Dewhurst's and asking for 'two big coloured puddings'! Sorry about all that nonsense but the Editor did ask for a bit of humour in this week's article and wasn't amused when I mentioned the one about Wigan Kebabs the other week.

Getting back to our visitors, 'The Shakers', and welcoming old boys Simon Farnworth, Peter Valentine and Steve Elliott who as already had a tremendous start to his career at Gigg Lane. We did the business back in August in the Lancs Cup and it would be nice to carry that on to today's important League encounter. 'Derby' games, as everyone knows, are always tough matches, so we will have to be at our best this afternoon.

It was good news after all with the First Round draw of the F.A. Cup because after years of trying we finally got a home draw. Chesterfield are of course the visitors, but I am sure Phil and Mick will put last month's victory to one side and instill in the players that Cup-ties are one-off things and sometimes League form goes out of the window.

The clash with Chesterfield next weekend gives us football at Burnden for three successive Saturdays, with the League match against Northampton coming up on the 26th.

RECOLLECTIONS

The Wanderers will today be looking to record their first league victory over Bury since August 1968 when goals from Roy Greaves and Brian Bromley gave Bolton a 2-0 win before 16,627 at Burnden.

That fixture took place in the Second Division, but for a number of seasons prior to the second World War, the two clubs often crossed each other in the top flight.

The first league game between the two teams took place at Gigg Lane during September 1895. This was Bury's first home game in the First Division but Bolton spoiled the party by winning 3-0 with Jimmy McGeachan scoring the first goal followed by Bob Brown and Alex Paton.

The following month Bury won 4-2 at Burnden Park recording their first away win in Division One in the process.

Unfortunately it was the Wanderers who condemned Bury from the First Division in 1929 by winning 4-3 at Gigg Lane four days after winning the FA Cup. Since that day Bolton's luck at Bury has been out with nine League and FA Cup visits producing five wins for the home side and four draws.

In recent seasons it is Bury who have had

the edge and have thus taken a lead in overall League games won. 1985-86 saw them complete the double in what were the club's first meetings in Division 3. They won 4-1 on their first visit to Burnden in 17 years with three of their goals coming in a six minute spell during the second half.

At Gigg Lane it needed a last minute goal from Craig Madden to give them a 2-1 win for their first win in 10 League games.

Bury's last visit to Burnden for a League encounter was on Boxing Day 1986 when the Wanderers twice came from behind to equalize only to go down 3-2.

The last League game between the clubs was in April 1987 which resulted in a 0-0 draw, this being only the second scoreless encounter in the previous 50 games, and only the third time that Bolton had kept a blank sheet at Gigg Lane.

Our League record against Bury is as follows:

	P	W	D	L	F	A
Home	25	13	4	8	44	37
Away	25	6	6	13	36	42
Total	50	19	10	21	80	79

A REVIEW OF NATS INTERNATIONAL CAREER

No. 9

NORTHERN IRELAND 2 v ENGLAND 2

A last gasp goal by Elliott denied Ireland their first victory over England since 1927 at Windsor Park.

Within 90 seconds of the game commencing Nat Lofthouse had given England the lead when he had latched onto a Billy Wright pass before shooting home with a low cross shot.

The visitors then began to run matters until the 15th minute when the game took an unexpected turn. Tully took a corner out on the left for Ireland and Ramsey, guarding the near post, assumed that Merrick had the kick covered. But Merrick, taken unawares, dived forward too late at the inswing and Ireland were level. The waving and dancing figures on the terraces proclaimed Ireland's first goal for nearly 18 months with a fine show of elation.

A minute after half time Ireland took the lead whilst they had only 10 men on the pitch, McMorran having collided with Dickinson.

A free kick by McMichael, a headed flick by Blanchflower, and Tully again had done the trick by sending the ball past a partly unsighted Merrick and a stationary English defence.

Now England were sore pressed as Ireland, with the wounded McMorran back, became more and more dominant,

with Merrick having to make a number of saves.

England however were revived by Wright and Dickinson and they fought their way with spirit out of a dark cavern in the latter stages.

Shots from Sewell, Lofthouse and Elliott searched the target but at the very end it was the bustling Froggatt who snatched the brand from the burning. With the last minutes unwinding he set off on a private sortie.

After two passes involving both Wright and Finney he found himself out on the right wing where he beat McCourt. He then pitched a perfect cross to the far post where Elliott headed in as clean as a whistle to save the day.

TEAMS:

Ireland: Uprichard (Swindon), Cunningham (St. Mirren), McMichael (Newcastle) (Capt.), Blanchflower (Aston Villa), Dickson (Chelsea), McCourt (Manchester City), Bingham (Sunderland), D'Arcy (Chelsea), McMorran (Barnsley), McIlroy (Burnley), Tully (Celtic).

England: Merrick (Birmingham), Ramsey (Spurs), Eckersley (Blackburn), Wright (Wolves) (Capt.), Froggatt (Portsmouth), Dickson (Portsmouth), Finney (Preston), Sewell (Sheffield Wed.), Lofthouse (Bolton), Bailey (Spurs), Elliott (Burnley).

WHERE ARE THEY NOW

GORDON TAYLOR ~ ex Bolton and Bury

It's fair to say that players' chief Gordon Taylor is rated highly by the members of the Professional Footballers Association and the game has benefited from his leadership.

His playing career started in 1960 at Bolton in preference to joining Manchester United and Arsenal. He recalled, "I'd had England Schoolboy trials along with Frank Casper, David Pleat and Tommy Smith and chose Bolton because I had always supported them, they had just won the Cup in 1958 and Nat was my hero."

Francis Lee had just joined and Alan Ball was hoping to be signed. Gordon made his debut at 18 and made 253 appearances before moving to Birmingham, where he joined up with a young Trevor Francis, Bob Latchford and ex-Wanderer, Bob Hatton.

His 156 games at 'Brum saw 2nd Division promotion and two Semi Final appearances against Leeds and Fulham. He said, "Against Fulham I thought I was to achieve the potential thrill of my life but Bobby Moore and Alan Mullery helped turn it into a nightmare."

Two spells at Blackburn, alongside John Byrom and a summer with Vancouver Whitecaps, he was eventually signed by Dave Hatton at Bury. He said, "I enjoyed my two years at Bury and it was then I succeeded Derek Dougan as P.F.A. Chairman."

Gordon was appointed full-time Secretary in 1981, taking over from Cliff Lloyd and the previous grounding helped in the

negotiation of freedom to move for players, new pension schemes, accident insurance schemes and pioneering the YTS scheme to football. "We have 1100 boys on the scheme nationwide" he confirmed.

Then there is the Football Community Programme which is now operated by 35 clubs, including Bolton.

In addition Gordon has tackled football's financial problems and been faced with club extinction but just look at the list: Wolves, Derby, Swansea, Charlton, Middlesbrough, Newport, Hartlepool, Bristol City, Hereford and Bradford. He explained, "We have made loans to Clubs to help them out and done special deals with receivers but it's very gratifying to see the fans of such clubs rally round." Gordon says "I am a great believer in tradition and strength of the league". These are the reasons for him battling to hold the league together two years ago when there was the threatened breakaway.

The present automatic promotion and relegation system to the league was Gordon's 'brainchild'. He pointed out that football's door is open for the village team to gain Football League status. He continued, "and the end of season play-offs has caught the interest and generated much needed cash. Over 300,000 fans watched the play-offs last season."

Maybe one day Gordon Taylor will be honourably recognized for his dedication to the game and particularly over the last decade.

Personality Profile.

PHIL BROWN

Phil Brown, this week's Personality Profile, signed for Hartlepool when he was 20 years of age after serving his time as an apprentice electrician for Pyrotenax Electrics. Billy Horner was manager of 'Pool at this time and Phil was secured on a five year contract and played with two Geordie heroes Bobby Kerr and John Bird. Phil stayed with Hartlepool for the duration of his contract and played over 200 games for them, becoming skipper under new manager Mick Docherty at the age of 24.

When Phil's contract expired he had the opportunity to move to the Continent and play for a club in Belgium as well as offers from Derby and Halifax. Mick Jones at Halifax convinced him his future was at the Shay and Phil accepted his offer and quickly established himself in the Halifax outfit. Although a quality right-back, Phil played in virtually every position for Town except goalkeeper, although Phil states "I was even understudy to Paddy Roche on the pitch but never got the opportunity to test myself in that area." In Phil's second season with Halifax, as well as being Skipper, he broke the goal-scoring record by a full-back with a total of 14 taking away Phil Neal's record.

It was during that season that Bolton supporters had their first glimpse of Phil with the marathon F.A. Cup ties which covered 3 matches. Phil scored in the replay at Burnden which earned Halifax a second replay at the Shay before the Whites finally went through 3-1. In his final season with Halifax Phil had the honour of being selected P.F.A. Div. 4 full-back in the poll by his fellow professionals.

Phil became a free agent in the summer and although Halifax wanted him to re-sign, Scarborough, Peterborough and Burnley as well as Bolton all moved in for him. After speaking to the clubs concerned there was no doubt in his mind and he became Phil Neal's first close-season signing. He immediately settled into the team and his classy displays have gone down very well with the Wanderers' faithful. When he was asked about any personal goal targets for this season he quickly replied "15", and with him already having found the target 3 times this season it would be of no surprise to see him getting near that figure. When asked about the best goal he had scored, "The second one I scored in the last home game against Chesterfield", replied Phil.

The High spots in Phil's career so far are signing for Bolton, being named in the Divisional P.F.A. team and scoring a 54 break at Snooker against Trevor Morgan. Low spots include having to apply for re-election to the Football League when at Hartlepool, and also being involved in the 24-hour strike at Hartlepool where he was P.F.A. delegate and had to take action after the players had not received any wages for 5 weeks. Gordon Taylor was also noted for the splendid work he did getting the situation sorted out.

Phil names Mick Jones and Billy Ayres as the people in football who have helped him the most, with his Mum and Dad backing him all the way with his career. When asked about any players for the future, Nicky Brookman came the reply and also Glenn Keeley who Phil stated "Could go a long way."

Phil is a player who has always had confidence in his own abilities and this coupled with his leadership qualities makes him the ideal person to skipper the Whites to success this season.
